### LICENCE

FairTrade Films grants a non-exclusive, non-theatrical licence, which grants the right to exhibit the program to a non-paying audience. Customers who purchase programs at the list price do not have public performance rights to the program. Public performance is defined as any publicly advertised screening to a paying audience. For terms and conditions for public performance rights, retail distribution, site licences and copyright clearances, contact FairTrade Films.

### COPYRIGHT NOTICE

Programs may only be used for purposes indicated by the purchase price paid. Programs may not be edited, duplicated, broadcast, transmitted by cable or otherwise transmitted by any multi-receiver, open or closed circuit system, whether or not admission is charged, without prior written permission from FairTrade Films. Any contravention of these restrictions may be regarded as a breach of copyright and may lead to prosecution.
